ENDORSEMENT OF JUSTICE CONWAY:

- [1] Case conference held today with respect to the outstanding appeals of the Receiver's Claims. There are five appeals remaining. The amount of the Receiver's Claims at issue on those appeals is approximately \$62,000. Counsel for the Receiver, Mr. Babe, said that the amount of distributions to the appellants (if the Receiver was unsuccessful on the appeals) would be in the range of \$10-12,000 in total.
- [2] Mr. Babe advised the Court that in light of the amounts at issue, the Receiver does not intend to respond to or oppose the five appeals. The Receiver will be bringing a motion seeking court approval of its decision, on notice. That motion will be scheduled through the CL office, to be heard by me in December 2023 or January 2024. In the meantime, the Receiver no longer seeks to schedule dates for the appeals.
